

School Information for BARR National Conference

The BARR National Conference is regarded as a premier professional education and networking event for attendees to enhance the BARR model in their schools. Educators and officials from school, district, and state levels will be joined by national leaders and education advocates to share ideas and learn from each other.

LEARN!

Experience a variety of interactive breakouts, reflecting grades K-12, that provide practical knowledge and tools presented by educators and administrators from across the nation to improve student outcomes.

Sample topics and examples from prior year breakout sessions at the BARR National Conference include:

- Leveraging BARR to increase Staff-to-Staff Relationships
- Partnering with Your Families & Community for Student Success
- Administrator's Panel: Best Practices
- BARR 101
- Successful Student Interventions
- Effective Strategies to Increase Staff Efficacy through BARR
- A Week in the Life of a BARR Coordinator
- I-Times: More than Meets the "I"
- Utilizing Data and Action Planning
- Best Practices for Addressing Chronic Absenteeism

NETWORK!

During the many breakouts, there will be time to make connections with other schools, in addition to work time for your school team. Schedule time during the on-site breakfasts, lunches, or dinners to continue the connections and strengthen your work.

"I learned a lot through networking with other people from other areas of the country. I learned that BARR is making a significant difference for many schools and districts. I borrowed and utilized many things shared at the conference." – Conference attendee
